

ARIZONA COURTLINES INC. SPECIFICATIONS

BBP-B1 (ACI MODEL #) BOLT-ON INDOOR BACKBOARD PADDING

BBP-B2 (ACI MODEL #) BOLT-ON OUTDOOR BACKBOARD PADDING

BBP-B1 (INDOOR)

The exterior is a tough molded urethane skin that is painted in the mold with a color matched urethane paint, which provides the exterior with a uniform colored appearance. A steel insert provides stiffness along the bottom of the backboard and strength at all mounting locations. Padding shall be 2" thick from bank frame to outside edge of padding. Padding shall come in two halves and shall interlock in the center of the pad. Hardware and installation instructions are included.

Specify: Color and Backboard Dimensions (Width and Thickness)

BBP-B2 (OUTDOOR)

Padding is molded as a matched interlocking pair to fit 48" wide backboards. 6" and 12" length extensions are also molded with interlocking ends and are used to fit 54", 60", and 72" wide backboards. Padding and extensions are in-mold painted with black urethane paint to provide a uniform exterior appearance. A steel insert provides stiffness along the bottom of the backboard and strength at all mounting locations. Padding shall be 2" thick from bank frame to outside edge of padding. Padding shall provide exceptional drainage when exposed to the outdoor environment. Hardware and installation instructions are included.

Specify: Color and Backboard Dimensions (Width and Thickness)
