

ARIZONA COURTLINES, INC. SPECIFICATIONS

BBP-G1 (ACI MODEL #) RECTANGULAR BACKBOARD PADDING (GLUE-ON)

Padding is designed to fit a 72" wide backboard (1" to 1 1/4" thick). The padding provides protection along the bottom edge of the backboard and up to 15" on each side of the backboard. The padding is 2" thick and is made of an open cell foam material allowing this padding to be very durable. The backboard padding is of a neutral gray color.
