

ARIZONA COURTLINES, INC. SPECIFICATION

FM-3 (ACI MODEL #) HEAVY-DUTY FRONT MOUNT FIXED GOAL (DOUBLE RIM)

RIM

Goal shall be fabricated from 5/8" diameter cold drawn alloy steel to an 18" inside diameter ring. Inside of ring shall be 6" from face of backboard. Rim shall incorporate heavy duty double brace supports of 3/16" thick steel plate cut to angle.

MOUNTING PATTERN

Mounting plate shall have a standard 5" x 5" hole pattern for mounting to backboard.

NET TIES

Rim shall be provided with a welded on steel flat strap net tie with an exclusive horseshoe tie (for use with standard or chain nets).

FINISH

Goal shall have official orange powder coat finish.
