

ARIZONA COURTLINES, INC. SPECIFICATION

V B - J S (ACI MODEL #) JUDGES STAND

STAND DIMENSIONS

Stand will be made from 2" square tubing and shall be 84" in height, 55.5" in length, and 24.5" in width.

HINGES / STORAGE

Stand is equipped with four hinges, which allows for the stand to fold compactly for transporting or storage (Judge Stand can be transported on ACI's Transport Cart).

STEPS / LADDER

Stand shall have three steps at a maximum of 13" apart to provide ease of access to platform. Steps shall be equipped with a non-slip texture.

PLATFORM

Platform shall be 51" above finished floor (Playing Surface), this allows for the referee to clearly see above and beyond the competition net height.

LEGS / FLOOR PADS

The stand legs shall have non-marking floor pads, to protect all types of flooring.

FINISH

Stand shall have a powder coat finish.

PADDING OPTION

Padding shall be 6'-0" in height and cover both sides and the front (opposite of ladder) of the stand, to protect the players and referee from injury. Specify Padding color.
